

Best of 2025

SMART-MD Journal of Precision Medicine celebrates its second anniversary, dedicated to bridging the gap between clinical practice and expert knowledge. See the excellent articles by outstanding authors - below. The 2025 issues focused heavily on **Diabetes Mellitus** – led by associate Editor **Melena Bellin MD**.

- Register for notifications of new issues & special content: <https://smart-md.org/index.php/jpm/user/register>
- Upcoming **2026 special issues** include *Precision Medicine of Pain Management, Hepatobiliary diseases & others*.

Chronic Pancreatitis

CT Images of the Pancreas for Beginners. Baytar, Y., Whitcomb, D. C., & Dasyam, A. K. (2025). *SMART-MD Journal of Precision Medicine*, 2(3), e170 to e185. <https://doi.org/10.69734/z63m4z16>

Pancreatic Enzyme Replacement Therapy: Background, Indications, and Pitfalls. Lieb II, John. (2025). *SMART-MD Journal of Precision Medicine*, 2(1), e85-e92. <https://doi.org/10.69734/gqsbgc07>

SPINK1 Genetic Variants in Pancreatitis. Waqar, M., Whitcomb, D., & Rebours, V. (2025). *SMART-MD Journal of Precision Medicine*, 2(1), e93 - e101. <https://doi.org/10.69734/tbx0n188>

Celiac Disease

Closing the genetic gap in Celiac disease. Quigley, E. (2025). *SMART-MD Journal of Precision Medicine*, 2(3), e158-e161. <https://doi.org/10.69734/ze7qg483>

Diabetes Mellitus

Current State of Automated Insulin Delivery Options For Diabetes Management: A Primer For The Clinician. Tabatabai MD, I., & Forlenza, G. (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e139 - e148. <https://doi.org/10.69734/92xeed68>

Cystic Fibrosis-Related Diabetes. Hani, N., Chan, C. L., Runchey, S. ., & Aljabrain, F. . (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e129 - e138. <https://doi.org/10.69734/zz6nxh21>

Genetic Risk Scores in Diabetes: Potential for Disease Prediction, Classification, and Precision Medicine. Goodarzi, M. (2025). *SMART-MD Journal of Precision Medicine*. <https://doi.org/10.69734/crvc7g84>

Imaging Findings of Pancreatic Changes in Type 1 Diabetes. Haberl MD, E. S., & Virostko, Ph.D., MSCI , J. (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e105 - e109. <https://doi.org/10.69734/wfpe8y95>

Immunology and clinical approach to adult-onset type 1 diabetes. Anna Casu MD, Ananya Bhatheja BA, & Tina K. Thethi MD. (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e111 - e118. <https://doi.org/10.69734/71yw1j63>

Teplizumab-mzww: Perspective on clinical practice and use at a single institution. Felton, J. L., Tuttle, A., & Sims, E. K. (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e149 - e157. <https://doi.org/10.69734/59hkbn82>

Precision Diagnostics for Monogenic Diabetes in Children. Ortega MD, H. I., & Gloyn, DPhil, A. L. (2025). *SMART-MD Journal of Precision Medicine*, 2(2), e119 - e128. <https://doi.org/10.69734/1e8v6h36>

Type 3c Diabetes: Bridging the Diagnostic and Therapeutic Gap in Pancreatogenic Diabetes. Al-Bahadili, H., Han, K., McGill, J., & Salam, M. (2025). *SMART-MD Journal of Precision Medicine*, 2(3), e163-e170. <https://doi.org/10.69734/k2qsv984>

Genetics

Delivering effective, scalable and equitable gastroenterology care in India. Agarwal, S., & Makharia, G. (2025). *SMART-MD Journal of Precision Medicine*. <https://doi.org/10.69734/p8r7ct85>

Polygenic Risk Score (PRS): Development, Interpretation and Utility. Greer, P., & DeFrancesco-Oranburg, T. (2025). *SMART-MD Journal of Precision Medicine*, 2(3), e171 - e177. <https://doi.org/10.69734/sqe1mp91>

Pancreatic Cancer

Pancreatic Cancer Surveillance in Clinical Practice. Paul, N., & Brand, R. (2025). *SMART-MD Journal of Precision Medicine*, 2(1), e79-e83. <https://doi.org/10.69734/rz628c44>
